The SchoolFacilities.com Advantage

We've been studying how your prospects use the web to find facility information. Now, we know what will make them request your product!

HERE'S HOW WE CAN INCREASE YOUR BUSINESS:

Reach decision makers

SchoolFacilities.com is the #1 Internet destination where educational facility decision makers source products. Every month, we receive over 55,000 user sessions - and each week, our eNewsletter "pushes" the latest school facility news and product information to more than 35,000 subscribers.

Sales leads in hours..not days

We drive qualified prospects to your advertising and editorial on SchoolFacilities.com and when they request more information you receive the lead within minutes.

Educate your prospects

We've surveyed our readers and they want to learn about your products through quick and easy-to-read information. At SchoolFacilities.com you can publish your white papers, articles and other editorials or, if you're like most of our customers, we'll write them for you.

We're an extension of your marketing department

Let our experienced copywriting and graphic design teams create a highly targeted case study, white paper or product sell sheet for you. Whether you need an online banner ad or a traditional printed piece of literature, we have the capabilities.

Facilities Research

With thousands of loyal subscribers and daily activity on our web site, we have a powerful research tool at our disposal. Our market research team can use this tool to conduct online and telephone surveys, in-person focus groups, data analysis and complete market research reports.

E-Commerce

SchoolFacilities.com readers asked us to open an online store and we did just that. You provide the images, specifications and pricing—and we provide an easy to use e-commerce system with plenty of willing buyers.
